Sending this note to you is the 40-year-old equivalent of putting it on the fridge.

Dear Evan,

Can I just tell you how proud I am of you and what you have written? What you've accomplished in the past, say, 18 months is incredible: white nationalists; Trump's first year; your work on the Russia piece; North Korea....and that's hardly all. And always with grace and as the best of colleagues. It really knocks me out. Oh, and the new version is damned fine in its elaborations and improvements. If I have notes, you'll be the first to get them, you and Carla.

As ever,  
David
