

Mamere, Mamere,
Grandmother, Mom, true blue,
Great designer,
Diplomat, Barn guru,
Our very own play director,
Our etiquette corrector,
Her length of line,
She looks divine,
You're a knockout and we love you.

Mamere, Mamere,
But for the likes of you,
We'd not be here,
If Bon had not had you.
Your eloquence is inspiring,
We hordes are so admiring,
And your stretch pants
Don't have a chance,
You're a knockout and we love you.
