

THE BALLAD OF LAKESIDE
(Welcome to Garrett!)
Set to the theme of "Rawhide"

Roll'n, roll'n, roll'n,
Keep those outlaws roll'n,
Roll'n in to Lakeside each year!
Through hot and humid weather
We'll keep this clan together...
Together, strong, and grinning ear to ear!

We outlaws all are branded
But in Paradise we're stranded... So loosen up and cast away your fears.

(chorus hums while Steve and Robert sing)
Check him out/Talk him up/Talk him up/Check him out/
Check him out/Talk him up... Lakeside
Bring him in/Hold him up/Hold him up/Bring him in
Hold him up...Keep him in... Lakeside

We'd heard that Caro's chosen
A groom who's straight from Frozen
The hero pirate out of Princess Bride
A man of art and reason
A teacher for all season
He's clearly Pierson pleas'n in Lakeside

He paints with chalk or oil
His parry thrust and foil, ... make all the outlaws loyal, Lakeside

The Russell clan's expand'n
Our Caro's roped her man in
And Garrett's thrown his hand in, Lakeside
The outlaws all are cheer'n
We can smell the brand a'sear'n
We're happy to make room in, Lakeside

We're here to spice the place up
Put on your boots and lace up... The Outlaws welcome Garret to Lakeside!

(chorus hums and Wyman & Nate bring Garrett "on stage" while Steve and Robert sing)

Check him out/Talk him up/Talk him up/Check him out/
Check him out/Talk him up... Lakeside!
Bring him in/Hold him up/Hold him up/Bring him in
Hold him up...Keep him in... Lakeside!
